- Yourcodingteam analyzes your behavior on the website in order to improve the website and to tailor the range of products and services to your preferences.
- Yourcodingteam tracks your surfing behavior on various websites with which we tailor our products and services to your needs.
- Yourcodingteam also processes personal data if we are legally obliged to do so, such as data that we need for our tax return.
- How long we keep personal data
- Yourcodingteam does not store your personal data for longer than is strictly necessary to realize the purposes for which your data is collected. General
- personal data (first and last name, gender, date of birth, place of birth, address details, telephone number, e-mail address) are stored for a maximum of 2 years after conversion.

Personal data generated by cookies will be deleted as soon as you delete the cookies from your browser. This includes IP address, location data, data about your activities on our website, data about your surfing behavior across different websites and internet browser and device type.

Sharing personal data with third parties

Yourcodingteam shares your personal data with various third parties if this is necessary for the execution of the agreement and to comply with any legal obligation. We conclude a processing agreement with companies that process your data on our behalf to ensure the same level of security and confidentialityof your data. Yourcodingteam remains responsible for these processing operations. In addition, Yourcodingteam provides your personal data to other third parties. We only do this with your explicit permission.

Cookies, or similar techniques, that we use

Yourcodingteam uses functional, analytical and tracking cookies. A cookie is a small text file that is stored in the browser of your computer, tablet or smartphone when you first visit this website. Yourcodingteam uses cookies with purely technical functionality. These ensure that the website works properly and that, for example, your preferred settings are remembered. These cookies are also used to make the website

work properly and to optimize it. In addition, we place cookies that keep track of your surfing behavior so that we can offer customized content and advertisements. On your first visit to our website, we already informed you about these cookies and asked for permission to place them. You can opt out ofcookies by setting your internet browser so that it no longer stores cookies. In addition, you can also delete all information that has previously been stored via the settings of your browser. https://veiliginternetten.nl/themes/kalender/cookies-wat-zijn-het-en-wat-doe-ik-ermee

Cookies are also placed on this website by third parties. These are, for example, advertisers and/or social media companies. Below an example:

View, modify or delete data

You have the right to view, correct or delete your personal data. You can do this yourself via the personal settings of your account. In addition, you have the right to withdraw your consent to the data processing or to object to the processing of your personal data by our company and you have the right to data portability. This means that you can submit a request to us to send the personal data we have about you in a computer file to you or another organization mentioned by you. If you would like to exercise your right to object and/or right to data portability or if you have other questions/comments about data processing, please send a specified request to info@yourcodingteam.com. To ensure that the request for access has been made by you, we ask you to enclose a copy of your proof of identity with the request.

Make your passport photo, MRZ (machine readable zone, the strip with numbers at the bottom of the passport), passport number and Citizen Service Number (BSN) black in this copy. This is to protect your privacy. Yourcodingteam will respond to your request as soon as possible, but in any case within four weeks. Yourcodingteam would also like to point out that you have the option to file a complaint with the national supervisory authority, the Dutch Data Protection Authority. You can do this via the following link: https://autoriteitpersoonsgegevens.nl/nl/contact-met-de-autoriteit-persoonsgegevens/tip-ons

Article 17 of the General Data Protection Regulation (GDPR) includes the so-called right to be forgotten. This right means that in a number of cases organizations must delete personal data if a data subject requests it. As a result, it is no longer possible to determine that the data of this person may no longer be processed.

How we protect personal data

Yourcodingteam takes the protection of your data seriously and takes appropriate measures to prevent misuse, loss, unauthorized access, unwanted disclosure and unauthorized modification. If you have the impression that your data is not properly secured or there are indications of misuse, please contact us at info@yourcodingteam.com
